## RULES AND REGULATIONS FOR GOLFERS

### Course Etiquette

Groups must keep pace with golfers who may be playing ahead of tournament.  
18 holes should be played in a maximum of 4 1/2 hours.  
Golfers will be asked by the course Marshall to skip holes if slow play is evident.  
Keep the pace consistent and do not spend time searching for lost balls.  
Alcoholic beverages other than those provided by River Oaks Golf Course are not allowed on the golf course due to government regulation  
(River Oaks provides a roving beverage cart for the course)  
Please repair divots and ball marks on greens

### Dress Code

**Shoes:** Golf shoes or running shoes with flat heels. Soft spikes are mandatory.  
**Dress:** Proper golf attire - shirts **MUST** be worn at all times.  
No muscle shirts, tube tops and halter tops.  
Shorts must be within 3 inches of the knee.

### Cart Etiquette

Power cart rentals are available upon request.  
Visa or MasterCard is required for each power cart rental as a security deposit against cart or course damages. Abuse of cart or course will result in Power Cart being confiscated with NO refund. Charges for repair of cart or course will also result.  
Power carts should remain on cart paths or fairways at all times.  
Do not drive carts onto tee boxes, greens or through bush or trees.  
Power cart is limited to 2 persons per cart. Please remain seated while driving.  
Standing on bumpers etc. can cause damage to cart resulting in charges.

### Course Marshal

Marshals are present to ensure order on the course and must be respected at all times. Failure to comply with Marshal will result in expulsion from the course.

**Please respect the course and facilities**  
**Good Luck and Good Golfing**

## OPTIONAL CONTESTS

### **LONGEST DRIVE**

First group carries a marker to the furthest drive which lands on the fairway and writes the name of the individual on it. Each subsequent group that has a longer drive moves the marker forward and adds the person's name.

Last group brings in the marker. We suggest hole # 3, 5, or 16 for this contest.

### **CLOSEST TO THE PIN**

First group puts the marker where the drive nearest the hole lands.

Must be on the green to count.

**EVEN HOLES**      Lowest total of even holes

**ODD HOLES**      Lowest total of odd holes

### **HIDDEN HOLE**

At the end of the game pick a number out of a hat. Whoever has the lowest score for that hole wins a prize.

### **PUTTING CONTEST**

This can be done while groups are waiting to tee off, or when the earliest groups have finished and are waiting for others to come in.

### **GUIDELINES FOR A BASIC TEXAS SCRAMBLE**

1. Arrange your foursomes ahead of time and assign a captain to each to keep score.
2. All players hit from the **red** tee markers.
3. Choose the best drive location, then everyone on the team moves to this position to hit their second shot. Continue this way until the hole is complete.
4. Each player must hit a minimum of 2 tee shots per 9 holes. On the scorecard, put an X beside the name when you use that person's drive.
5. The first player of the foursome to putt their ball into the cup finishes that hole for the team. The other players then pick up their balls and proceed to the next hole.
6. One score will be used by each foursome team per hole completed.

All contests are run by the tournament at their own choosing.

Please let us know, in advance, of any contests your tournament wishes to hold so we can help prepare for your day.
