OPTIONAL CONTESTS

Longest Drive :

First group carries a marker to the furthest drive which lands on the fairway and writes the name of the individual on it. Each subsequent group that has a longer drive moves the marker forward and adds the person's name.

Last group brings in the marker. We suggest hole # 3, 5, or 16 for this contest.

Closest to the Pin :

First group puts the marker where the drive nearest the hole lands.

Must be on the green to count. We suggest hole # 4, 7, 12 or 15 for this contest.

Even Holes :

Lowest total of even holes.

Odd Holes :

Lowest total of odd holes.

Putting Contest :

This can be done while groups are waiting to tee off, or when the earliest groups have finished and are waiting for others to finish.

Guidelines for a Basic Texas Scramble :

1. Arrange your foursomes ahead of time and assign a captain to each to keep score.
2. Choose the best drive location, after which everyone on the team moves to this position to hit their second shot. Continue this way until the hole is complete.
3. Each player must hit a minimum of 1 TEE shot per 9 holes. On the scorecard, put an X beside the name when you use that person's drive.
4. The first player of the foursome to putt their ball into the cup finishes that hole for the team. The other players then pick up their balls and proceed to the next hole.
5. One score will be used by each foursome team per hole completed.

All contests are run by the tournament at their own choosing. Please let us know, in advance, of any contests your tournament wishes to hold so we can help prepare for your day.

Please do NOT spend time looking for your golf ball for more than 2 minutes. Otherwise, you will slow down the pace of play for your tournament and for the public golfers following your tournament. We wish for *everyone* to enjoy their day of golf.
